COVID-19: Update and Information

How Pegasys Publishing Is Responding to COVID-19 and Its Impact on the Education Sector

The outbreak of COVID-19 has changed everything about the way we live and work. Our thoughts, here at Pegasys, are with all those affected by the Novel Coronavirus (COVID-19) and we hope that you and your family are safe and well.

Our philosophy as a business is to approach this situation with empathy and urgency. Our top priority is the health and safety of our staff, our customers and their students.

Below you will see details of the changes we have made in getting our flyers/order forms to you as well as in the ordering arrangements and the delivery of our materials.

As usual Pegasys Educational Publishing is offering unique and original assessment and support materials for the 2020-21 session for Mathematics and Business Education.

We are also offering support and revision materials for English and the Sciences.

Flyers & Order Forms:

This year, for health and safety reasons, **we will not be mailing** out our new Flyers/order forms for 2020-21. All our new and current flyers/order forms can be found on and downloaded from our website www.pegasypublishing.co.uk

Ordering:

Materials can be ordered in the normal way (through a relevant order form). However we would ask you to email the order form(s) back to us at pegasypublishing@gmail.com if at all possible. If you prefer an order can be faxed to 01236 430006. We will, of course, still accept posted order forms if this suits you better.

Delivery of Materials:

This year we are removing the options to have your materials delivered on CD Rom or in paper format. For the reasons of safety we will be emailing all materials to you (**i.e. electronic delivery of materials only**). All our order forms now contain a box for an email address to be entered. Your order will be emailed to the address you give on the form (more information on this can be found on the order form itself).

Invoices will be emailed along with the materials unless required to be sent separately to your local authority as per their usual instructions or under any new instructions pertaining to COVID-19.

As always, if you have any questions, concerns or suggestions, please don't hesitate to get in touch with us. Thank you.

We have a new email address
