COVID-19: Update and Information for 2022/23

Pegasys Publishing is continuing to respond to COVID-19 and will deliver its services and materials as per last session's model

The outbreak of COVID-19 has changed everything about the way we live and work. Our thoughts, here at Pegasys, are with all those who have been affected by the Novel Coronavirus (COVID-19) and we hope that you and your family and friends are safe and well.

Our philosophy as a business is to approach this situation with empathy and urgency. Our top priority is the continuing health and safety of our staff, our customers and their students.

Below you will see details of the changes we are again making in getting our flyers/order forms to you as well as in the ordering arrangements and the electronic delivery of our materials.

Pegasys Publishing - Business as usual - Supporting schools and colleges

As usual Pegasys Educational Publishing is offering unique and original assessment and support materials for the 2022-23 session for both Mathematics and Business Education.

We are also offering practice, support and revision materials for English and all three Sciences.

Flyers & Order Forms:

Once again, for health and safety reasons, **we will not be posting out** our new Flyers/order forms for 2022/23. All our new flyers & order forms for 2022/23 can be found and downloaded from our website www.pegasyspublishing.co.uk

Ordering:

Materials can be ordered in the normal way (through a relevant order form). However we would ask you to email the order form(s) back to us at pegasyspublishing@gmail.com if at all possible. If you prefer an order can be faxed to 01236 430006. We will, of course, still accept posted order forms if this suits you better.

Delivery of Materials:

Once again we are removing the options to have your materials delivered on CD Rom or in paper format. For the reasons of safety we will be emailing all materials to you (**i.e. electronic delivery of materials only**). All our order forms now contain a box for an email address to be entered. Your order will be emailed to the address you give on the form (more information on this can be found on the order form itself).

Invoices will be emailed along with the materials unless required to be sent separately to your local authority as per their usual instructions or under any new instructions pertaining to COVID-19.

As always, if you have any questions, concerns or suggestions, please don't hesitate to get in touch with us. Thank you.

Textual Analysis Packs

The purpose of **TEXTUAL ANALYSIS** is to encourage pupils to think about **HOW** a piece of text, whether it be prose, poetry or drama, is actually written. The focus is on analysing the language and techniques used by the writer and commenting on the effectiveness of these features.

The packs themselves come in 3 levels of difficulty, with each pack consisting of **TEN** separate Textual Analysis assignments each totalling **30 marks**. The texts to be analysed will be made up from poetry, drama or prose and will be accompanied by a series of questions.

Answers to the assignments will be provided at the back of each pack.

- ❖ Pack 1 - This pack is pitched at the old Intermediate 1 level of study, however, it can also be used for lower school or any corresponding class at Levels 3 & 4 of CFE.

The texts and questions will encourage pupils to demonstrate their understanding of major and minor points of the text through reference to relevant areas of content. Pupils will also be asked to highlight and explain some of the more obvious ways in which aspects of structure, style and language contribute to a text's overall meaning.

- ❖ Pack 2 - This pack is pitched at the old Intermediate 2 level of study though could easily be used with any corresponding class at Levels 4 & 5 of CFE.

The texts and questions will encourage pupils to demonstrate their understanding of key elements, central concerns and significant details of the text. Pupils will be asked to demonstrate their understanding and awareness of some appropriate critical terminology substantiated by relevant evidence from the text itself.

- ❖ Pack 3 - This pack is ideally suited to a Higher level of study or as preparation for those pupils intending to do Higher.

The texts and questions will require pupils to demonstrate a secure understanding of key elements, central concerns, significant and complex details of the texts. Pupils will be required to explain accurately, and in detail, the ways in which aspects of style, structure and language contribute to a text's overall meaning and impact. Pupils will be required to understand and demonstrate appropriate usage of complex critical terminology and substantiate answers with detailed and relevant evidence from the texts themselves.
