**A message to all our customers .....**

I am afraid that last session (2023-24) saw the final production of yearly prelim papers and assessment materials from Pegasys Educational Publishing (across all subjects and levels).

For us here at Pegasys it is undoubtedly the end of an era as we have been producing unique assessment materials for Scottish schools/colleges for more than 28 years.

We would therefore like to take this opportunity to thank all of our many customers for their custom and their support of our prelims and extended tests over these many years.

L. Wright (Proprietor – Pegasys Educational Publishing)

*Although we have stopped production of our yearly assessment materials all our packs and course materials are still available as usual.*

*You may like to take a look at our new sets of practice papers (Items CE19 to CE22 on the reverse side of this form).*
